

VITAMIN C FORTE 800 MG VITALITE

Vitamin C VITALITE preparation is a dietary supplement with a high content of vitamin C, dedicated for over 7 year old. Vitamin C helps the proper function of immune system and prevent cells against oxidative stress. It also takes part in the right collagen production in order to maintain proper function of blood vessels and skin.

Vitamin C helps in maintenance of appropriate functioning of immune system also during and after intensive physical exercises. Beneficial function appears when 200mg of vitamin C is consumed over the recommended daily intake of vitamin C.

Vitamin C contributes to maintenance the appropriate state of nervous system and helps to maintain the right psychological functions. It contributes also to tiredness and weariness reduction.
